

Power to the People!

The Central Valley Progressive PAC believes in democracy, voter rights and getting more progressive candidates elected here in Fresno and the San Joaquin Valley. If you believe in social justice, immigrant rights and workers earning a living wage, we invite you to join us at the next CVPPAC meeting, which will be held via Zoom on **Saturday, June 12, at 3:30 p.m.**

On the agenda will be the long-awaited update of the Power Structure Analysis of Fresno County. Find out who has political power, how they got it and most important, the progressive movement's strategic plan for winning elections and power in this city.

Also on the agenda will be an update on the Tower Theatre and what community activists are doing to keep the musical, entertainment and cultural center of the city from falling into the hands of right-wing religious fanatics.
