The Dolores Huerta Foundation is wrapping up its “VOTE 4 POWER” Election Season! DHF Vecinos Unidos, youth, and volunteers engaged in get-out-the-vote campaign efforts such as door-to-door canvassing, phone banking, human billboarding, candidate forums, and poll watching on election day for the California Primaries. In partnership with Million Voters Project and California Calls, DHF volunteers reached over 2,187 contacts to encourage people to vote and build political power in communities of color throughout the Central and Antelope Valley

Canceling COVID-19 One Vaccine at a Time!

The Dolores Huerta Foundation is a proud partner of the United Against COVID-19 Coalition that has organized 80 vaccination clinics since 2021 throughout Kern County. The vaccine clinics provide community members free COVID-19 vaccines and booster shots with no insurance needed for ages 5 and up. To date, DHF has administered over 7,000 vaccinations in communities most impacted. DHF is proud to be able to support their communities in this fight to end the COVID-19 pandemic. In response to the leaked draft of the Supreme Court opinion that would overturn the right to abortion established in *Roe v. Wade*, the Dolores Huerta Foundation, in partnership Planned Parenthood and local partners, organized the “Bans Off Our Bodies” rally held in Kern, Fresno, and Tulare County to advocate for abortion rights for all. DHF believes all humans deserve the right to choose how and when they want to bear a child.
